It's Poker Run Time!!

Saturday, October 12, 2019

Get ready for some fun fall foliage flying this October!! The Katahdin Wings Chapter of The 99s will be hosting a fabulous Poker Run on October 12, 2019 (rain date Oct. 13). Take advantage of this time of crisp blue skies and spectacular views by flying this year's route over southern New Hampshire to central Maine. Stops include Concord Municipal Airport (KCON), Jaffrey Airport-Silver Ranch (KAFN), Laconia Municipal Airport (KLCT); Bethel Regional Airport (0B1) with the terminus at Auburn-Lewiston Municipal Airport (KLEW).

How the Poker Run works:

Start at any of the five participating airports after 9 a.m., then fly to each of the other participating airports to receive a card for each hand purchased. Arrive at the terminus airport KLEW by 1 p.m. for card scoring and prize awarding. You do not need to fly every airport, just be at the terminus airport by 1 p.m. In fact, you don't have to fly at all — drive in, buy a hand and enjoy the fun! Arrive early and enjoy lunch at Mike's Runway Diner, located in the KLEW terminal. Remember, you don't have to fly to enjoy the fun — hands can be purchased by non-flyers as well. **Hands are \$10 each or three for \$25.**

Why we hold a Poker Run:

This is an important fundraiser for your New England Section as it covers travel expenses to send our governor to the biannual International Board Meetings at The 99s' headquarters in Oklahoma City. This ensures our section governors have access to and can provide input for the governing of The 99s organization.

Please help make this the most successful Poker Run yet! You can:

- **Sell hands** to all your family and flying friends or buy hands for yourself (remember, you don't have to fly)
- **Request a prize donation** from your FBO or make a prize donation yourself. This makes the prize table overflow with excellent prizes that keeps people interested in participating in our poker runs each year.
- **Help out at any of the stops** — we'll need two volunteers at each stop and as many helpers as possible at the terminus.
- **Spread the word** by talking it up on social media or the old-fashioned way of flying to airports and hanging up a flyer — makes a great excuse to go flying
- **Or you can do all of the above!!**

**Join the fun –
