Summer Aviation Events

Summer is a great time for flying! Here are a few upcoming events you may want to join.

**COMING
SOON!**

**ADDITIONAL AIR SHOW
PARKING PASSES!**

We've heard your requests for additional parking for this year's Thunder Over New Hampshire Air Show and thanks to the efforts of the Pease Development Authority, we have been able to identify a limited number of additional on-site parking options for this year's show. It is anticipated that these parking passes will sell very quickly. Parking passes released in March were all reserved within days. There are also a few remaining premium seating tickets (Sunday only). Those purchasing the remaining premium seating tickets will be provided a free parking pass along with their ticket purchase.

ADDITIONAL PARKING PASSES WILL BE RELEASED FOR SALE TO THE PUBLIC ON SATURDAY, JULY 8TH AT 8:00 AM.

The show will take flight September 9 & 10 at Pease Air National Guard Base and will feature the U.S. Air Force F-16 Viper Demo Team, NHANG KC-46 Pegasus, Vermont ANG F-35 Lightning II's, Mass ANG F-15 and much more.

My fiance, his parents and I own [NH86 Intervale Airport](#) in Henniker,

NH and we're doing a Pancake Fly-in in July! I have a few personal female pilot friends coming, but I would really love to invite the NE 99s Section as a simple meetup and hosting event for us to pop in and say hello. This is open to all pilots and so will be a fun mix of folks there to benefit the Henniker Food Pantry.

Additionally, I am always happy to offer up our spot (for free) to host any NE 99s events if you're ever interested!!

Looking way into the future - the **Geek Is Glam** event, in which Eastern New England Chapter has participated for several years, occurs this year on the same date as our Fall Section meeting. Mary Build and Sue Benua are looking into the logistics of participating in both events. Here is a link to information about the event:
