PAST EVENTS

Fly-in at Westerly on August 23, 2025

By Julia Lindow

What a gorgeous day it was to be out and meet with kindred spirits!!

A big thanks to Lauren Lee, for providing her hangar for this fly-in and treating us to those tasty burgers. Also, thank you, to all the volunteers for setting up this nice venue, bringing all sorts of delicious food, and flipping those burgers and pancakes.

It was wonderful to see so many familiar faces and aircraft, as well as new ones. Besides the burgers, the T-shirts were a hit at Candie's Ways & Means table.

Personally, I was excited about the opportunity to fly to Westerly for the first time and very much impressed how welcoming everyone at the airport was.

It was a wonderful, sunny day with lots of smiling faces -- until next time!

Fundraising Successful!

The Fly-In was a fundraiser, as well as a social gathering. Lauren Lee offered to match up to \$1,000 for an ENE Chapter scholarship. That goal was reached and surpassed, with the excess going into the general scholarship fund. Thanks to all who donated!
